Wednesday, September 20th, is the day the state determines our annual funding and it is based off of our days attendance. If at all possible, please try to avoid scheduling any appointments or activities that would interfere with your child's attendance for that day.

Our breakfast and lunch program pricing information can be found on the application. Please see Debbie Bright in the Central Office to enroll in your student's meal account. During enrollment payments for meal accounts will be made payable to USD 351. You also will have other payments due during enrollment only cash or checks are accepted at this time. We encourage you to complete a Free and Reduced Lunch Application if you are unsure if you qualify, as there is no penalty if you do not meet the requirements.
